

**T**his section will contain the final text of the rules proposed by agencies. The order of rulemaking is required to contain a citation to the legal authority upon which the order of rulemaking is based; reference to the date and page or pages where the notice of proposed rulemaking was published in the *Missouri Register*; an explanation of any change between the text of the rule as contained in the notice of proposed rulemaking and the text of the rule as finally adopted, together with the reason for any such change; and the full text of any section or subsection of the rule as adopted which has been changed from that contained in the notice of proposed rulemaking. The effective date of the rule shall be not less than thirty (30) days after the date of publication of the revision to the *Code of State Regulations*.

**T**he agency is also required to make a brief summary of the general nature and extent of comments submitted in support of or opposition to the proposed rule and a concise summary of the testimony presented at the hearing, if any, held in connection with the rulemaking, together with a concise summary of the agency's findings with respect to the merits of any such testimony or comments which are opposed in whole or in part to the proposed rule. The ninety-(90-) day period during which an agency shall file its Order of Rulemaking for publication in the *Missouri Register* begins either: 1) after the hearing on the Proposed Rulemaking is held; or 2) at the end of the time for submission of comments to the agency. During this period, the agency shall file with the secretary of state the order of rulemaking, either putting the proposed rule into effect, with or without further changes, or withdrawing the proposed rule.

**Title 20—DEPARTMENT OF COMMERCE AND  
INSURANCE  
Division 2150—State Board of Registration for  
the Healing Arts  
Chapter 5—General Rules**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri State Board of Registration for the Healing Arts under section 334.125, RSMo 2016, the board amends a rule as follows:

20 CSR 2150-5.025 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on February 1, 2021 (46 MoReg 262). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: Pursuant to sections 334.125 and 338.010, RSMo, the Missouri State Board of Registration for the Healing Arts and the Missouri Board of Pharmacy jointly promulgated the rule regulating the administration of vaccines per protocol; specifically, rule 20 CSR 2150-5.025 for the Missouri State Board of Registration for the Healing Arts, and rule 20 CSR 2220-6.050 for the Missouri Board of Pharmacy. Both boards proposed amendments and published the same for comments on or about February 1, 2021. Subsequently, four (4) comments were received on the proposed amendments from CVS Health and the Chief Inspector of the Board of Pharmacy, Tom Glenski. The Board of Pharmacy prepared a summary of comments, responses and proposed further amendments in response to the comments for the Missouri State Board of Registration for the Healing Arts to review during the open session of its March 28, 2021 meeting. Following that review, the Missouri State Board of Registration for the Healing Arts has decided to adopt amendments proposed by the Board of Pharmacy.

COMMENT #1: CVS Health supported expansion of pharmacist technician activities. However, CVS Health recommended adding a “grandfathering clause” that would allow pharmacy technicians who have administered immunizations during the COVID-19 pandemic to continue immunizing under the proposed amendment without being required to have a pharmacy technician certification.

RESPONSE: The Board of Pharmacy believes both pharmacy technicians’ work experience and pharmacy technicians’ certification are necessary to protect the public and to ensure pharmacy technicians are properly trained in vaccine administration. The Missouri State Board of Registration for the Healing Arts agrees with the Board of Pharmacy regarding jointly promulgated rule 20 CSR 2150-5.025. No changes have been made in response to the comment.

COMMENT #2: Tom Glenski, the Chief Inspector of the Board of Pharmacy, recommended further amending section (1) of this rule so it is consistent with proposed changes made to section (1) of jointly promulgated rule 20 CSR 2220-6.050. Specifically, Mr. Glenski recommended amending section (1) to provide that vaccines may be administered at any Missouri licensed pharmacy “as allowed” in the governing protocol.

RESPONSE AND EXPLANATION OF CHANGE: The Board of Healing Arts agrees that the proposed change the Board of Pharmacy made to jointly promulgated rule 20 CSR 2220-6.050 should also be made to 20 CSR 2150-5.025. The rule has been amended as requested.

COMMENT #3: Tom Glenski also recommended amending section (3) of this rule so as to remove the requirement that pharmacists complete a vaccine administration program that includes training/instruction in current CDC vaccine guidelines and recommendations, basic immunology, and vaccine protection. Mr. Glenski noted these training elements are not required by the federal government for pharmacists administering vaccines pursuant to the emergency COVID-19 Declaration issued by the U.S. Department of Health and Human Services under the federal Public Readiness and Emergency Preparedness Act (PREP Act).

RESPONSE: The Board of Pharmacy believes the proposed rule 20 CSR 2220-6.050 would ensure pharmacists are appropriately trained to administer all vaccines authorized by Chapter 338, RSMo. Significantly, education providers have discretion to determine the scope and level of training needed. The Missouri State Board of Registration for the Healing Arts agrees with the Board of Pharmacy regarding jointly promulgated rule 20 CSR 2150-5.025. Accordingly, no changes have been made in response to the comment.

COMMENT #4: Tom Glenski also recommended further amending subsection (1)(E) of this rule so it is consistent with proposed changes the Board of Pharmacy made to jointly promulgated rule 20 CSR 2220-6.050. Mr. Glenski noted revised 20 CSR 2220-6.040 will allow a pharmacist to delegate medication administration to a pharmacy technician, if the pharmacy technician has one (1) year of work experience in Missouri or another U.S. state or territory. Mr. Glenski suggested the Board of Pharmacy amend 20 CSR 2220-6.050 to match the allowance in 20 CSR 2220-6.040.

RESPONSE AND EXPLANATION OF CHANGE: The Missouri State Board of Registration for the Healing Arts agrees with the comment and has amended the rule 20 CSR 2150-5.025 accordingly so it is consistent with the changes made by the Board of Pharmacy to jointly promulgated 20 CSR 2220-6.050.

**20 CSR 2150-5.025 Administration of Vaccines Per Protocol**

(1) A pharmacist may administer vaccines authorized by Chapter 338, RSMo, pursuant to a written protocol with a Missouri licensed physician who is actively engaged in the practice of medicine. Unless otherwise restricted by the governing protocol, vaccines may be administered at any Missouri licensed pharmacy or at any non-pharmacy location as allowed in the governing protocol.

(A) Vaccines must be administered in accordance with current treatment guidelines established by the Centers for Disease Control (CDC) and the manufacturer’s guidelines, provided CDC guidelines shall control in the event of a conflict. Vaccines may not be administered to persons under seven (7) years of age unless otherwise authorized by law.

(E) For purposes of this rule, a “qualified pharmacy technician” is defined as a currently registered Missouri pharmacy technician who—

1. Holds an active pharmacy technician certification issued by a certification entity accredited by the National Commission for Certifying Agencies;
2. Has an initial and, if applicable, annual documented assessment of competency in vaccine administration; and
3. Has assisted in the practice of pharmacy as a registered/licensed pharmacy technician in the state of Missouri or another U.S. state or territory for a minimum of one (1) year.

**Title 20—DEPARTMENT OF COMMERCE AND  
INSURANCE  
Division 2220—State Board of Pharmacy  
Chapter 2—General Rules**

**ORDER OF RULEMAKING**

By the authority vested in the State Board of Pharmacy under section

338.140, RSMo Supp. 2020, and section 338.280, RSMo 2016, the board adopts a rule as follows:

20 CSR 2220-2.425 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on February 16, 2021 (46 MoReg 358-359). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The board received a total of seven (7) comments on the proposed rule submitted by Matthew Fessler, Alliance for Natural Health, BJC HealthCare, and Board of Pharmacy staff.

**COMMENT #1:** Fessler objects to additional regulations on pharmacy compounding, and states “that if Missouri goes along with the FDA’s plan to limit pharmacies from being able to ship out more than five percent (5%) of their compounding prescriptions out of state, then my pharmacy will face certain financial hardship, most likely ending in closure.”

**RESPONSE:** The proposed rule facilitates the board entering into the Food & Drug Administration (FDA) memorandum of understanding (MOU) concerning compounded medication. Pharmacies in states that enter the MOU will not be limited to distributing compounded drug products out of state that do not exceed five percent (5%) of their total prescription orders dispensed or distributed. Accordingly, no changes have been made in response to the comment.

**COMMENT #2:** Alliance for Natural Health’s comment does not comment directly on the proposed rule, but urges the board to express concerns to the FDA about the MOU which the proposed rule facilitates. However, they urge the board to sign the MOU if the FDA does not make changes to the memorandum of understanding.

**RESPONSE:** The board, through the National Association of Boards of Pharmacy, has been involved in expressing concerns throughout the FDA’s process. As expressed by the Alliance for Natural Health, the board believes entering the MOU better serves Missouri compounders, than not entering the MOU. The proposed rule facilitates the board entering into the FDA MOU. Accordingly, no changes have been made in response to the comment.

**COMMENT #3:** BJC HealthCare commented that the rule should explicitly exclude products compounded for veterinary use as well as compounded biologics, as they are not within the scope of the FDA MOU.

**RESPONSE AND EXPLANATION OF CHANGE:** The board agrees and modifies the proposed rule accordingly.

**COMMENT #4:** BJC HealthCare recommends the rule be limited to class D and class H pharmacy activities.

**RESPONSE:** Class D and H do not cover the full scope of pharmacies that dispense compounded human drug preparations/products from which data is needed to be captured. Further, the rule only applies to licensed pharmacies, which are within the board’s jurisdiction. Accordingly, no changes have been made in response to the comment.

**COMMENT #5:** BJC HealthCare recommends the board provide clear distinctions regarding subsections (1)(B) and (1)(C) of the proposed rule. BJC HealthCare recommends that the language in subsection (1)(B) should be modified by dropping the term “dispensed” and instead refer to drugs “distributed interstate.” Further, BJC HealthCare states subsection (1)(B) appears to use the term “dispensed” to mean drugs used by the patient and drugs sent out to pharmacies outside of Missouri.

**RESPONSE AND EXPLANATION OF CHANGE:** The language under section (1) provides that the rule governs compounded prod-

ucts dispensed pursuant to prescriptions or mediation orders. Subsection (1)(B) governs dispensing from the facility other than on-site dispensing, and is meant to include both intrastate and interstate. However, the board agrees some clarification would be helpful and changes have been made to the rule accordingly to clarify that subsection (1)(B) relates to dispensing other than on-site.

**COMMENT #6:** BJC HealthCare recommends the rule includes instructions about how to comply with the rule; specifically, in relation to alternative reporting to the National Association of Boards of Pharmacy (NABP) Information Sharing Network.

**RESPONSE:** The board will otherwise provide information and/or assistance regarding how to contact NABP and find information about the Information Sharing Network.

**COMMENT #7:** Board of Pharmacy staff asked the board to correct a typographical omission in subsection (1)(C) to add the word “by” for sentence clarity.

**RESPONSE AND EXPLANATION OF CHANGE:** The rule has been amended as requested.

### **20 CSR 2220-2.425 Required Pharmacy Reporting**

(1) Pharmacies located in Missouri that have distributed or dispensed compounded human drug preparations/products pursuant to prescriptions or medication orders in the previous calendar year, shall annually report the following information on a form provided by the board:

(B) The number of prescriptions or medication orders for compounded human drug preparations/products that the pharmacy dispensed (or caused to be dispensed) from the facility in which the drug preparations/products were compounded during the previous calendar year (e.g., not picked up on-site by the patient or the patient’s designee);

(C) The number of prescription or medication orders for compounded human drug preparations/products dispensed on-site at the pharmacy during the previous calendar year (e.g., picked up by the patient or the patient’s designee);

(4) The term “prescription or medication orders for compounded human drug preparations/products” as used above, does not include veterinary drug products, and biological products subject to licensure under section 351 of the Public Health Service Act (42 U.S.C. 262).

(5) Notwithstanding the above, a pharmacy which participates in and reports all information required by this rule to the National Association of Boards of Pharmacy (NABP) Information Sharing Network shall not be required to also report to the board. Pharmacies reporting to NABP’s Sharing Network shall notify the board no later than January 31 each calendar year that information required by this rule has been reported to NABP. A copy of information submitted to NABP pursuant to this rule shall be provided to the board or the board’s authorized designee within five (5) business days of a request from the board or authorized board designee.

## **Title 20—DEPARTMENT OF COMMERCE AND INSURANCE**

### **Division 2220—State Board of Pharmacy Chapter 6—Pharmaceutical Care Standards**

#### **ORDER OF RULEMAKING**

By the authority vested in the Missouri Board of Pharmacy under sections 338.010, 338.140, and 338.220, RSMo Supp. 2020, the board amends a rule as follows:

20 CSR 2220-6.050 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on February 1, 2021 (46 MoReg 262–263). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The board received five (5) comments on the proposed amendment from CVS Health, Board of Pharmacy Chief Inspector Tom Glenski, and staff.

**COMMENT #1:** CVS Health supported the board’s expansion of pharmacist technician activities. However, CVS Health recommended the board add a “grandfathering clause” that would allow pharmacy technicians who have administered immunizations during the COVID-19 pandemic to continue immunizing under the proposed amendment without being required to have a pharmacy technician certification.

**RESPONSE:** The board believes both pharmacy technician work experience and pharmacy technician certification are necessary to protect the public and to ensure pharmacy technicians are properly trained in vaccine administration. No changes have been made in response to the comment.

**COMMENT #2:** Tom Glenski, Board Chief Inspector, recommended the board amend subsection (1)(E) of this rule to be consistent with proposed changes to paragraph (4)(A)10. Specifically, Mr. Glenski recommended amending section (1) to provide that vaccines may be administered at any Missouri licensed pharmacy “as allowed” in the governing protocol.

**RESPONSE AND EXPLANATION OF CHANGE:** The board agrees and the rule has been amended as requested. The Board of Healing Arts agrees to make the proposed change to jointly promulgated rule 20 CSR 2150-5.025.

**COMMENT #3:** Tom Glenski recommended the board amend section (1) to remove the requirement that pharmacy technicians complete a vaccine administration program that includes training/instruction in current CDC vaccine guidelines and recommendations, basic immunology, and vaccine protection. Mr. Glenski noted these training elements are not required by the federal government for pharmacy technicians administering vaccines pursuant to the emergency COVID-19 Declaration issued by the U.S. Department of Health and Human Services under the federal Public Readiness and Emergency Preparedness Act (PREP Act).

**RESPONSE:** The board believes the proposed amendment would ensure pharmacy technicians are appropriately trained to administer all vaccines authorized by Chapter 338, RSMo. Significantly, education providers have discretion to determine the scope and level of training needed. Accordingly, no changes have been made in response to the comment.

**COMMENT #4:** Tom Glenski recommended the board amend subsection (1)(E) of this rule to be consistent with proposed changes to rule 20 CSR 2220-6.040 which has also been filed for public comment. Mr. Glenski noted revised 20 CSR 2220-6.040 will allow a pharmacist to delegate medication administration to a pharmacy technician, if the pharmacy technician has one (1) year of work experience in Missouri or another U.S. state or territory. Mr. Glenski suggested the board amend 20 CSR 2220-6.050 to match the allowance in 20 CSR 2220-6.040.

**RESPONSE AND EXPLANATION OF CHANGE:** The board agrees with the comment and has amended the rule accordingly.

**COMMENT #5:** Staff members suggested the board amend subsection (1)(A) to require that vaccines must be administered in accordance with “current” treatment guidelines established by the Centers for Disease Control (CDC) and the manufacturer’s guidelines.

**RESPONSE AND EXPLANATION OF CHANGE:** The board agrees and has amended the rule to include the recommendation.

**20 CSR 2220-6.050 Administration of Vaccines Per Protocol**

(1) A pharmacist may administer vaccines authorized by Chapter 338, RSMo, pursuant to a written protocol with a Missouri licensed physician who is actively engaged in the practice of medicine. Unless otherwise restricted by the governing protocol, vaccines may be administered at any Missouri licensed pharmacy or at any non-pharmacy location as allowed in the governing protocol.

(A) Vaccines must be administered in accordance with current treatment guidelines established by the Centers for Disease Control (CDC) and the manufacturer’s guidelines, provided CDC guidelines shall control in the event of a conflict. Vaccines may not be administered to persons under seven (7) years of age unless otherwise authorized by law.

(E) For purposes of this rule, a “qualified pharmacy technician” is defined as a currently registered Missouri pharmacy technician who—

1. Holds an active pharmacy technician certification issued by a certification entity accredited by the National Commission for Certifying Agencies;
2. Has an initial and, if applicable, annual documented assessment of competency in vaccine administration; and
3. Has assisted in the practice of pharmacy as a registered/licensed pharmacy technician in the state of Missouri or another U.S. state or territory for a minimum of one (1) year.

*ACTION TAKEN:* This NOTICE OF SUSPENSION OF RULE 6 CSR 10-2.190(3)(A)7. and (3)(A)8.A.

Paragraph (3)(A)7. of 6 CSR 10-2.190 requires high school students seeking eligibility for an A+ scholarship to complete fifty (50) hours of unpaid tutoring or mentoring prior to high school graduation. The department is suspending this tutoring/mentoring requirement and lowering the tutoring/mentoring requirement to twenty-five (25) hours for high school seniors graduating at the end of the 2020 academic year due to disruptions to the school year caused by COVID-19.

Subparagraph (3)(A)8.A. of 6 CSR 10-2.190 requires high school students seeking eligibility for an A+ scholarship to score a proficient or advanced on the official Algebra I end-of-course exam. The department is suspending this regulation for high school seniors graduating at the end of the 2020 academic year due to the fact that the test was cancelled during the 2019 academic year due to COVID-19 pandemic.

*EMERGENCY STATEMENT:* Pursuant to Executive Order (EO) 21-07 dated March 26, 2021, the referred to sections of this rule are suspended effective April 19, 2021 and is effective until August 31, 2021.

**Title 10—DEPARTMENT OF NATURAL RESOURCES  
Division 140—Division of Energy  
Chapter 2—Energy Set-Aside Fund**

**IN ADDITION**

**Notification:** Applications accepted between June 1, 2021 and September 30, 2021 for Energy Efficiency and Renewable Energy Loan Cycle.

The Missouri Department of Natural Resources' (department) Division of Energy is making available approximately five (5) million dollars in loan financing for qualified energy efficiency and renewable energy projects. Energy-saving investments may include projects such as insulation, lighting systems, heating and cooling systems, combined heat and power, pumps, motors, aerators, renewable energy systems, and other measures that reduce energy use and cost. Recipients repay loans with money saved on energy costs.

**Eligible Energy-Using Sectors:** Loan funds will be allocated to eligible energy-using sectors as follows:

- Public Schools (K-12): twenty-five percent (25%) of available funds;
- Public Higher Education Institutions: twenty-five percent (25%) of available funds;
- Public and Private not-for-profit Hospitals: twenty-five percent (25%) of available funds; and
- Local Governments: twenty-five percent (25%) of available funds. Local governments include a county, city, or village (which may include water treatment plants or waste water facilities), local government/public owned airport facilities (municipal, county, regional, and international); or any hospital district as defined in section 206.010, RSMo; or any sewer district as defined in section 249.010, RSMo; or any water supply districts as defined in section 247.010, RSMo; or any ambulance district as defined in section 190.010, RSMo; or any sub-district of a zoological park and museum district as defined in section 184.352, RSMo.

**Application Procedures:** An application for loan funds may be submitted to the department for the purpose of financing all or a portion of the cost of implementing an energy-saving project.

Each applicant may apply for a loan not to exceed one (1) million dollars. Loan applications will not be considered for less than ten thousand dollars (\$10,000) or with a payback score of less than six (6) months.

If funds remain after review and priority ranking of applications, the department will consider awarding loans in excess of one (1) million dollars.

Requests for loan financing must be made using the Division of Energy's Energy Loan Program Application Authorization Form, Fuel Use Summary Form, and Energy Conservation Measure Summary Form. Application forms and instructions are available on the department's website: <https://energyloan.mo.gov>.

The Application Authorization Form must be signed and dated by an authorized official. An authorized official is an individual with authority to obligate an eligible applicant to the terms of loan agreement and promissory note to repay loan proceeds.

A paper or electronic copy of the signed original Application Authorization Form and required documents may be submitted to the department's address below.

Applications received after September 30, 2021 will not be considered for a loan award for this FY2022 cycle but may be held for consideration during subsequent application cycles.

The department may request additional information as needed to determine the feasibility of a project, the project's estimated annual energy savings, and financial risks of a loan transaction. Also, an energy conservation measure has the potential of affecting other areas within the facility or system. Applicants must have no outstanding actions for violations of applicable federal, state, or local laws, ordinances, and rules.

**Interest Rates:** Loan principal plus one and three-quarters percent (1.75%) interest is to be repaid to the department in semi-annual payments not to exceed a ten- (10-) year repayment period. An administrative fee of one percent (1%) of loan principal will be added to the repayment amount.

**Selection Criteria:** Recipients of loan financing will be determined on a first come first served basis. Applications will be ranked based on the date all information needed to determine the feasibility of the project is received. If all funds are not allocated in any one (1) sector after ranking, the department may allocate funds to other sectors. **\*\*Note\*\*** Loan applications will be approved or disapproved by December 29, 2021.
